SUMMARY

A computer science fresh graduate from the faculty of computer science and artificial intelligence – Helwan University (FCAI-HU) with strong academic achievement. Possess strong leadership and communication skills with fluency in English. I have a practical experience in Game and XR development (VR, AR and MR) using Unity and C#. I have also gained an experience in Instructing others in game development, I am good at web development (Frontend) using React and a keen interest in UI/UX design.

WORK EXPERINCES

Working as game development Instructor — June 2024-March 2025
Neuronetix • Cairo, Egypt
- Instructor in game development at Neuronetix using Unity and C#

Working as Unity Developer — July 2025- Present
Ekson Technology • Cairo, Egypt
- Making Educational VR Experiments using Unity and C#

Working as Teacher assistant — September 2025- Present
DEPI • Cairo, Egypt
- Teach assisting In Unity and C# (3D, 2D, VR, AR) at Digital Egypt Initiative (DEPI) Ministry of Communications and Information Technology

SKILLS

- programming language : C++ , C#, JavaScript
- familiar with design patterns used in Unity (Object pool - Singleton pattern - State pattern)
- familiar with S.O.L.I.D principles
- Good at Object-Oriented Programming (OOP)
- Proficient in both C# and Unity game development with hands-on experience designing, developing, and delivering high-quality games
- Proficient at XR development (VR-AR-MR)
- familiar with 3D modelling using Blender and 3D Max
- familiar with Agile approach
- Version control systems (e.g., Git)
- Proficient in Word, PowerPoint and Excel
- Proficient at React (web development - front end)
- leader of young youth (NOG)
- Good at using Figma tool for UI/UX design
- Familiar with Meta SDK (All in One)

INTERNSHIPS

ITI 4-months Intensive Code Camp (ICC) — March 2025 - June2025
ITI • New Capital, Egypt
- Trained for using Unity and C# in XR (VR-AR)

Unity developer Trainee March 2025 –May 2025
QSIT • Cairo, Egypt
- Trained as game developer intern Using Unity and C#

Game developer Intern July 2023-October2023
Gmind • Alexandria, Egypt
- Trained as game developer intern Using Unity and C#

UI/UX designer Intern July 2023-September 2023
MYM • Cairo, Egypt
- Trained as UI/UX designer Intern using Figma

EDUCATION

Bachelor of Computer Science and artificial intelligence 2021 - 2024
Faculty of Computer Science and artificial intelligence, Helwan University, Egypt
GPA: 2.98 – (V.Good)

CERTIFICATES

- Unity Junior Programmer Pathway. Jul 2024
- Unity Essentials Pathway. Dec 2024
- Autodesk 3D Max Essentials. May 2025

PROJECTS

- "The Hero" released in Jul 2023
  Description: "Hero' is a 3D academic project that a story about a hero fights the evil that raised from the death.

- "Clicky Ninja" released in Jul 2024
